RETAIL STAFF USE ONLY

UPDATE COMING  
MAY 25, 2021

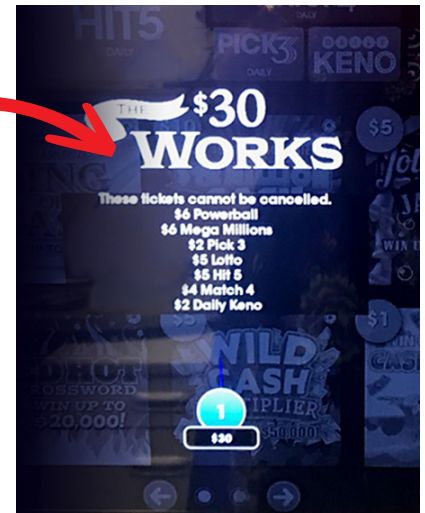

We are expanding the number of "Bundle" options we provide for players on the Gemini Touch vending machines and the GT1200 customer service terminal.

**GEMINI TOUCH VENDING MACHINE** will have four options shown below

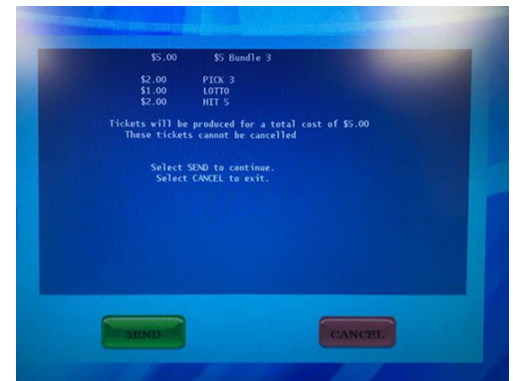

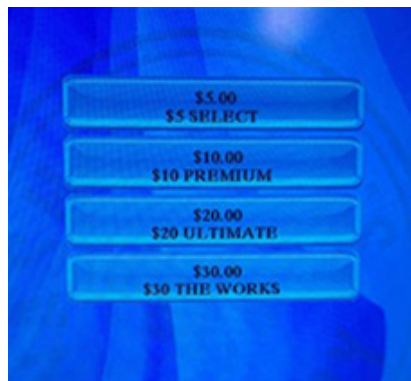

When the player presses one of the buttons a secondary screen will appear and show the games and price points for each included in the bundle.

They will have the option to purchase and cancel.

## GT 1200

Press the "Sampler" button and a secondary screen will appear that shows the 4 bundle options and the games that are included in each bundle.

You will have the option to select a bundle to print the tickets or cancel.

## REMINDER

Games that are printed as part of a bundle purchase **CANNOT** be cancelled.

These will be a standard option moving forward. If we make a change to the games included in any bundle we will send a mail message to all retailers and the secondary screen will be updated to reflect the change.
